# WoodFire

## Trial By Fire

From the silky-fine soil-rich land of Dehua, China, comes WoodFire, a new bone series inspired by the raw beauty of fired wood. Every piece is lovingly handcrafted by artisans to achieve an authentic wood-like appearance. Dipped in a special reactive glaze that results in an unexpected aesthetic, much like natural wood, the WoodFire collection comes with a bold character as though reborn through the trial of fire. Available in the two gorgeous colours of Dark Oak and Antique Pine.

Colour variation is a naturally occurring feature of reactive glazed finishing. Irregularities in glaze and textures are celebrated as the mark of an artist's hand and a cherished authentic design.</p>

# Astoria

## The Grand Dame

Astoria is a regal collection that speaks for itself. It features an ornate silhouette delightfully inspired by the intricate decoration seen during the heydays of Queen Victoria's reign. Even without a speck of colour, Astoria is a confident symbol on the dining table with perfectly-pronounced shapes. This grand dame is also one that walks into the hall tinkling the wine glass to signify the start of a meal, so set the table and put on your best suit.

# Daisy

## Embrace the Springtime Sparkle on Your Table

Sunlit fields of daisies extend an invitation to this collection, radiating simplicity and tranquillity on your table. Glowing in white like a blank canvas ready to be adorned with the vibrant stories of your meal. Picture ruby-red tomatoes contrasting against its smooth perfection, emerald peas mirroring its gentle curves. With each serving, food metamorphoses into art, a palette of colours against the ivory backdrop. And as the afternoon light casts long shadows, reach for the gracefully sculpted teapot and matching cups, allowing delicate floral fragrances to paint the air.
