Luzerne

Astoria

The Grand Dame

Astoria is a regal collection that speaks for itself. It features an ornate silhouette delightfully inspired by the intricate decoration seen during the heydays of Queen Victoria's reign. Even without a speck of colour, Astoria is a confident symbol on the dining table with perfectly-pronounced shapes. This grand dame is also one that walks into the hall tinkling the wine glass to signify the start of a meal, so set the table and put on your best suit.

Wanderbloom

Designed For Modern Service

Inspired by blooming flowers, Wanderbloom features softly curved rims that frame each plate, balancing visual softness with functional clarity.

Two subtle colours—Ethereal White and Fairy Teal—introduce gentle variation through differing line widths and lengths, offering flexibility across menus and plating styles.

Versatile by nature, the collection integrates seamlessly across cuisines and interior settings, ideal for hospitality settings that value simplicity, consistency, and thoughtfully considered details.

Veil

A Dance of Light and Layers

Like the soft unveiling of dawn, Veil captures beauty in its most delicate form. Gentle geometric layers radiate outward, shifting with the light in a quiet, graceful rhythm. With every glance, subtle patterns emerge and dissolve, a delicate dance between form and luminosity.

Each piece embodies this serene motion — ethereal and timeless — inviting you to uncover its details layer by layer. Complete with bowls, plates, cups and more, the collection transforms every table into a stage for light and harmony.
